

Rules and Regulations

1. Objectives and scope

The EPMA Fellowship Award status is a prestigious, lifetime award bestowed upon eminent authorities and leaders in powder metallurgy and particulate materials. This highly selective award recognizes EPMA members for their significant contributions to the goals, purpose, and mission of EPMA as well as a high level of expertise in the technology, practice, or business of the industry.

2. EPMA Distinguished Service Award (DSA) category

An individual will be awarded an EPMA DSA through achievements and accomplishments made to EPMA and the PM and particulate materials industry as evidenced by the following:

Evidence of the candidate's accomplishments, contributions, and performance over a period of time, including dates and impact. Some examples of continuing professional growth/development are:

- Significant contributions to EPMA (including service to sectoral groups or international leadership through committees, boards, etc.)
- Awards
- Participation in continuing education seminars, courses and conferences
- Other professional activities
- Involvement in other societies or associations (e.g., MPIF, JPMA)
- Mentoring/coaching of younger PM-involved person

3. Rules

- The candidate must have at least ten (10) years total membership in EPMA, two (2) of which are current. Membership being understood either in the individual member category or via their company / organisation
- The candidate must be a member of EPMA at the time of nomination. This membership may not lapse during the nomination process, or the nomination will be rescinded.
- There is no age prerequisite
- Individuals may not nominate themselves.
- A maximum of three (3) individuals per year will be awarded
- All information on pending nominees will remain confidential
- Once awarded Fellow, an individual can not be nominated for the DSA award
- The incoming class of winners will be awarded during the Plenary Session at the appropriate Euro PM Congress & Exhibition or World PM Congress & Exhibition

4. Election Panel

The Panel will consist of EPMA Board & Council members still in activity.

5. How to submit an award nomination for the Distinguished Service Award (DSA)

Any EPMA member can propose any other EPMA member for the DSA Award. Submissions are accepted via the survey before the deadline of 31 March at this link: <https://www.surveymonkey.com/r/DSA2023> or by an email sent to EPMA Executive Director Lionel Aboussouan (la@epma.com) or the EPMA President before the deadline of 31 March.

6. Past recipients: EPMA Distinguished Service Award

1998 Gold, Molins Snr

1999 N/A

2000 N/A

2001 Bernard Williams, Dr Henri Pastor & Dr Lothar Albano-Mueller

2002 N/A

2003 Dr Enrico Mosca

2004 Jaap Koeleman & Dr Andrey Salak

2005 Dr Colette Allibert & Per Lindskog

2006 Juan Cortiguera & Björn Uhrenius

2007 Dr Joan Antoni Bas & Dr Gian-Filippo Bocchini

2008 Rudolf Reinstadler, Dr. Gérard Raison & Prof. Dr Winfried Huppmann

2009 Dr Günter Kneringer

2010 Prof. Paul Beiss & Peter Brewin

2011 Dr Olle Grinder & Prof. Francisco Castro

2012 Dr Bryan Roebuck & Dr. Volker Arnhold

2013 Prof. José Torralba & John Dunkley

2014 Jan Tengzelius

2015 Dr Brian James & Prof. Lorenz Sigl

2016 Dr. Cesar Molins

2017 Thomas Lambrecht

2019 Dr.-Ing Ingo Cremer

2020 Dr Steven Moseley & Mr Philippe Gundermann

2021 Mr Martin Bloemacher & Dr.-Ing Harald Neubert

2022 Peter Kjeldsteen & Georg Breitenmoser

Organised by the European Powder Metallurgy Association (EPMA)
